# » All about **PRU***lady*

## **What is PRU***lady*?

**PRU***lady* is a regular premium, non-participating life insurance plan that provides you with protection against financial impact arising from female illnesses, death or disability up to the expiry age of 70 years old. In addition, it also pays a Life Change Benefit for various life events. Upon maturity, 100% of the total premiums that you have paid (excluding extra premium charged for sub-standard life and service tax, if applicable) will be refunded to you. Furthermore, it protects all mothers-to-be against pregnancy complications and their child against congenital anomalies.

## **Who can take up the plan?**

**PRU***lady* is for females aged between 17 to 45 years old next birthday.

## **How much premium do I have to pay?**

Premiums that you have to pay may vary by age and plan chosen, subject to underwriting. Please refer to the Product Disclosure Sheet and Sales Illustration for the premium payable during the policy term.

You must inform us of any change in occupation, avocation or sports activities because it may affect the premiums, terms, conditions and benefits.

## **How are the premiums paid?**

Premiums shall be paid throughout the policy term. Premiums can be paid yearly, half-yearly, quarterly or monthly via auto debit, credit card, cash or cheque.

## **What are the fees and charges I have to pay?**

A surrender charge will be levied if you surrender the policy before the end of the policy term. Please refer to the Sales Illustration for surrender charges and surrender values.

## **What are the key terms and conditions that I should be aware of?**

1. **Grace Period:** If you do not pay your premiums within the one-month grace period and the policy has not accumulated any cash value, your policy may lapse.
2. **Automatic Premium Loan Scheme:** If the policy accumulates sufficient cash value and you are unable to pay premiums, we will automatically pay the premiums on your behalf under the Automatic Premium Loan Scheme. You will continue to enjoy the benefits under the policy. The policy will end when the premium loan plus interest are greater than its cash value.

## Claim scenario 1:

Sally is a 25-year-old female customer. She purchases the **PRU**lady Plan 2 with a Sum Assured of RM50,000, inception on 1 January 2014.

**1 June  
2016**

... Sally is getting married! As marriage falls under the Life Change Benefit, Sally will be getting a payable amount of RM1,500 (3%)\*.

**1 June  
2017**

... Today, Sally suffers from a late miscarriage. Late miscarriage is included in the Pregnancy Care Benefit, in which the amount payable is RM5,000 (10%)\* from the plan that she has purchased from Prudential.

**1 Sept  
2018**

... Sally's first child was born today! She will receive a payable amount of RM1,500 (3%)\* as child birth is also included in the Life Change Benefit. Unfortunately, her baby is born with cleft lip that requires surgery to fix the cleft. A payable amount of RM5,000 (10%)\* will be given to Sally for her baby's cleft lip and/or cleft palate requiring surgery, which is included in the Baby Care Benefit.

**1 Jan  
2021**

... Sally is finally getting her first property! She will be reimbursed with a payable amount of RM1,500 (3%)\* as buying a property is also included in the Life Change Benefit.

**1 Jan  
2022**

... Today, a year after Sally purchased her first property, she is diagnosed with Female Carcinoma-in-situ<sup>3</sup>. She will receive a payable amount of RM25,000 (50%)\* as Female Carcinoma-in-situ falls under Female-related Illnesses Benefit.

**1 Dec  
2022**

(after 6 months from the diagnosis date of Carcinoma-in-situ)

... Sally's condition gets worse and she is confirmed to be diagnosed with female breast cancer. She will receive a payment amount of RM50,000 (100%\*) as female breast cancer falls under the Female-Related Illnesses Benefit. She will also receive a payable amount from the Recovery Benefit of RM15,000 (30%)\* each that includes both breast lumpectomy or mastectomy and breast reconstructive surgery following a mastectomy.

\*Percentage of Basic Sum Assured

<sup>3</sup>Basic Sum Assured amount will be reverted to the original Basic Sum Assured after 6 months from the diagnosis date of Carcinoma-in-situ.

<sup>4</sup>Upon claims for Female Cancer Benefit, if you have not made the maximum of two claims under the Recovery Benefit, Prudential shall pay you the Recovery Benefit together with the Female Cancer Benefit.

## Claim scenario 2:

Jane is a 35-year-old female customer. She purchases the **PRU***lady* Plan 4 with a Sum Assured of RM100,000, inception on 1 January 2014.

**1 Feb  
2016**

... Jane buys her very own property today. She will receive a payable amount of RM3,000 (3%)\* as buying a property is included as a Life Change Benefit.

**1 Feb  
2034**

... Today is finally the time for Jane to enjoy her life as it is her retirement<sup>5</sup> day. As retirement<sup>5</sup> is a Life Change Benefit, Jane will receive a payable amount of RM6,000 (6%)\*.

**1 March  
2034**

... Jane is diagnosed with Female Carcinoma-in-situ<sup>6</sup> today. She will receive a payable amount of RM50,000 (50%)\* as Female Carcinoma-in-situ<sup>6</sup> falls under Female-related Illnesses Benefit. Due to this, Jane will undergo breast lumpectomy surgery. She will receive a payable amount of RM30,000 (30%\*) as Breast Lumpectomy or Mastectomy falls under the Recovery Benefit.

**1 June  
2034**

(within 6 months from  
the diagnosis date of  
Carcinoma-in-situ)

... Jane is now diagnosed with female breast cancer<sup>7</sup> and is given a payable amount of RM50,000 (50%)\* as a Female-related Illnesses Benefit. She will also receive a payable amount of RM30,000 (30%)\* as breast reconstructive surgery following a mastectomy is included in the Recovery Benefit.

\*Percentage of Basic Sum Assured

<sup>5</sup>For retirement or Death of Spouse Benefit, we shall pay 9% of the Basic Sum Assured less any life change benefits paid previously.

<sup>6</sup>If Female Cancer occurs within 6 months from the diagnosis date of Female Carcinoma-in-situ, the payout will be reduced by 50% of Basic Sum Assured.

<sup>7</sup>Upon claims for Female Cancer Benefit, if you have previously made a claim under the Recovery Benefit, as each category is only claimable once, we shall only pay the remaining benefit under the Recovery Benefit, and together with the Female Cancer Benefit.

### Note:

*The above examples are for illustrative purposes only. All benefits are subject to waiting periods and survival periods. Please refer to the Policy Document for detailed terms and conditions.*
