## Important Information

### 1. Needs and Affordability

You should satisfy yourself that this plan will best serve your needs and that the premium payable under the policy is an amount that you can afford.

### 2. Premium Computation

The Standard Annual Premiums are quoted based on your status of health and occupational duties being satisfactory to us. If there are adverse variations to the health and occupation status as declared in the Application Form, the Premiums and Policy Terms and Conditions may be adjusted according to the increased risk exposure. The premium is charged according to your age next birthday at entry. There is an additional of 15% loading for Occupation Class 3. All occupations under Class 4 are not covered by this plan. Renewal Premiums payable will increase with age.

### 3. Residence Overseas

No benefit whatsoever shall be payable for any medical treatment you received outside Malaysia, Singapore and Brunei, if you reside or travel outside Malaysia, Singapore and Brunei for more than 90 consecutive days.

### 4. Overseas Treatment

If the Insured Person elects to or is referred to be treated outside Malaysia by the Attending Physician, benefits in respect of the treatment shall be limited to the reasonable and customary and medically necessary charges for such equivalent local treatment in Malaysia and shall exclude the cost of transport to the place of treatment.

### 5. Co-Payment

If you are hospitalised at a Room & Board category that is better and cost more than your eligible benefit, you need to bear 20% of the cost of all other eligible benefits described in the Table of Benefits. If the Room & Board is of the same category but cost is higher than your entitlement, you need to pay the differences in Room & Board only.

### 6. Cooling-off Period

If you decide not to take up the policy after it has been issued, you may return the policy to us for cancellation within 15 days from the date of issue provided no claim has been made. You are entitled to the return of the full premium paid less deduction of expenses incurred by the Company in the issue of the policy.

### 7. Automatic Termination

If you don't pay the premiums or if you fail to pay the premiums when due, your policy will be terminated automatically.

### 8. Claim Procedure

All Insured Persons will be given an AXA Healthcare Card. With this card, you have access to our panel hospitals throughout Malaysia. We will obtain the preliminary diagnosis from Medical Report completed by your attending physician (which may take 1 to 2 hours). It is best for you to arrange such report before hospital admission for pre-planned treatment. You may be required to make personal deposit as required by the hospital's regulations.

After validation of your preliminary diagnosis to determine that the condition requiring treatment is a covered condition under the policy, an initial Guarantee Letter will be issued to the hospital for your admission, subject to the benefit limits.

Upon discharge, the hospital will provide the final diagnosis and itemised bill for us to settle the valid medical bill (which may take 1 to 2 hours). Any ineligible or excess expenses not covered are to be settled by you.

In the circumstances that your preliminary diagnosis may not be easily ascertainable or that your condition requiring treatment may not be covered under the policy, you are advised to pay for your own treatment first and file a claim after discharge.

Please notify us within 30 days of any occurrences for admission to non-panel hospital, out-patient treatment or any claim which has been settled by you. Please submit the claim form, original itemised bills, receipts and other relevant claims documents to us for processing.

The cashless benefit applies to hospital admissions at any of our panel hospitals in Malaysia only. Non-panel hospital admissions, pre-hospitalisation, consultations, diagnostic procedures and post-hospitalisation costs are on reimbursement basis.

Anda dinasihatkan agar mendapatkan laporan berkenaan sebelum kemasukan ke hospital bagi sesuatu rawatan yang telah dirancang. Anda mungkin perlu membuat deposit peribadi sebagai mana yang dikehendaki oleh peraturan hospital.

Selepas diagnosa awal disahkan bagi menentukan bahawa keadaan yang memerlukan rawatan adalah dilindungi di bawah polisi itu, satu Surat Jaminan permulaan akan dikeluarkan kepada hospital bagi kemasukan anda ke hospital, tertakluk kepada had manfaat.

Selepas diizinkan keluar dari hospital, pihak hospital hendaklah memberikan diagnosa terakhir dan bil yang mengandungi butiran perbelanjaan kepada kami untuk menjelaskan perbelanjaan yang sah (kemungkinan mengambil masa 1-2 jam). Apa-apa perbelanjaan yang tidak layak atau berlebihan yang tidak dilindungi hendaklah dibayar oleh anda.

Dalam keadaan di mana diagnosa awal tidak mudah dipastikan ataupun keadaan yang memerlukan rawatan anda kemungkinan tidak dilindungi di bawah polisi, anda dinasihatkan membayar dahulu dan membuat tuntutan selepas diizinkan keluar dari hospital.

Sila beritahu kami dalam tempoh 30 hari dari sebarang kejadian kemasukan ke hospital bukan panel, rawatan pesakit luar atau sebarang tuntutan yang telah diselesaikan oleh anda. Sila hantar borang tuntutan, bil asal yang mengandungi butiran perbelanjaan, resit dan lain-lain dokumen tuntutan yang berkaitan kepada kami untuk tindakan selanjutnya.

Manfaat tanpa tunai hanya boleh digunakan untuk kemasukan ke panel hospital kami di Malaysia sahaja. Kemasukan ke hospital bukan panel, kos pra-kemasukan hospital, perundingan prosedur diagnostik dan rawatan selepas penghospitalan adalah berdasarkan pembayaran balik.
